Water Supply Proficiency Testing

Upgrade to Convenient
Studies, Quality
Standards, and
Unmatched Service

Accurate, Consistent Water Supply PT Standards

Upgrade Your Water Supply Testing

- Enroll in convenient quarterly studies
- Meet the Safe Drinking Water Act and state-specific drinking water requirements
- Round out your drinking water PT program with whole-volume Water Supply Microbiology (WSM) standards

Find studies at
www.phenova.com/WaterSupply

Phenova® PT Guarantee

If your lab receives a Not Acceptable result in a Phenova PT Study and cannot pinpoint the issue, contact our technical support group. We will guide you through the most effective corrective action process and, if necessary, we will provide a FREE Phenova QC Standard to help get you back on track!

The Phenova® Promise in Action for Water Supply Studies

At Phenova, we make a 3-part promise to you, our customers. These core principles drive our entire business, from manufacturing to our personalized technical support and innovative resources.

Your Accreditation is Our Priority

All Phenova Water Supply (WS) standards are compliant with EPA, TNI, and/or state specific criteria (including Wisconsin-specific requirements).

Depend on our Phenova PT Guarantee, so you can get corrective action guidance and, if needed, you'll even receive a FREE QC Standard.

Making Your Job Easy is Our Passion

Phenova WS Inorganic Standards are provided as ready-to-dilute concentrates to produce your final samples in sufficient amounts for at least two methods, unless otherwise noted.

Save time with ready-to-use, whole-volume Water Supply Microbiological Standards.

Saving You Money Is Our Goal

In addition to saving time with these convenient standards, your lab can also decrease costs by switching to Phenova Water Supply (WS) PT standards.
